

**REMARKS**

In response to the Notice of Omitted Items mailed 11/29/00 for the above-listed patent application, Applicant hereby submits the proposed amendments to FIGs. 3 and 4 showing proposed changes in red ink. (Applicant also submits new versions of the formal drawings to be entered into the case.)

Note that FIG. 4 was **not** missing from the application as filed on 10/2/00. Only the label for FIG. 4 was missing. Applicant has simply added the missing label to FIG. 4, and has moved the label for FIG. 3 closer to FIG. 3. Note that no new matter is added to the application as a result of this amendment.

Please enter the above-listed amendments into the application. Please call Applicant's representative, Richard Park, at (530) 759-1661 if you have any questions.
